V. 1 Here in this room Here in this very moment Lord, there is so much more you've promised Silence the noise Tear down the walls within us 'Cause there are greater things You've promised CHORUS: Lord, take us deeper Lord, take us farther Give us the faith To step out on the water Help us believe even more of you (2nd time repeat) V. 2 We've had a taste We've had a glimpse of heaven But there is so much more You've promised We've seen the signs We've heard the sound of freedom But there are greater things You've promised BRIDGE Lord, we surrender Offer our lives to you Thore's pathing to the start of the sound of the start of the star	"Even More"
Silence the noise Tear down the walls within us 'Cause there are greater things You've promised CHORUS: Lord, take us deeper Lord, take us farther Give us the faith To step out on the water Help us believe even more of you (2nd time repeat) V. 2 We've had a taste We've had a glimpse of heaven But there is so much more You've promised We've seen the signs We've heard the sound of freedom But there are greater things You've promised BRIDGE Lord, we surrender Offer our lives to you A BRIDGE Lord, we surrender Offer our lives to you	V. 1 Here in this room Here in this very moment
CHORUS: Lord, take us deeper Lord, take us farther Give us the faith To step out on the water Help us believe even more of you (2nd time repeat) V. 2 We've had a taste We've had a glimpse of heaven But there is so much more You've promised We've seen the signs We've heard the sound of freedom But there are greater things You've promised BRIDGE Lord, we surrender Offer our lives to you A BRIDGE Lord, we surrender Offer our lives to you	(A) (Hum) (B)
CHORUS: Lord, take us deeper Lord, take us farther Give us the faith To step out on the water Help us believe even more of you (2nd time repeat) V. 2 We've had a taste We've had a glimpse of heaven But there is so much more You've promised We've seen the signs We've heard the sound of freedom But there are greater things You've promised BRIDGE Lord, we surrender Offer our lives to you A B BRIDGE Lord, we surrender Offer our lives to you	Silence the noise Tear down the walls within us
Give us the faith To step out on the water By Help us believe even more of you (2nd time repeat) V. 2 We've had a taste We've had a glimpse of heaven But there is so much more You've promised We've seen the signs We've heard the sound of freedom But there are greater things You've promised BRIDGE Lord, we surrender Offer our lives to you A B B BRIDGE Lord, we surrender Offer our lives to you	'Cause there are greater things You've promised
